## Bio

Formed in November 2013, SO RAD, a four-piece band (drums, bass, guitar, keyboard, 3 on vocals), specializes in playing rock and pop songs from the 1990s. In an exciting mix of fun nostalgia, the band takes you on a trip back to simpler times, long summers, and great music. From Grunge to Pop-Punk to Boy-Bands, SO RAD does it all! A new element of our show is bounding as different 90s characters like Cher (Clueless), Forrest Gump, Michelangelo (Ninja Turtles), and Wayne/Garth (Wayne's World).
